"Service
Above Self"

This Rotary Club has been and is instrumental in the success of many community events throughout the year.

Yucca Valley Rotary organizes and sponsors the annual July 4th fireworks celebration, Memorial Park Brick sales, Pioneer Pass Golf and the Miss Yucca Valley Scholarship Pageant.

The Club and its members contribute thousands of dollars annually to scholarships, nursing programs, and other special community needs.

Through the past 50 years, the Rotary Club of Yucca Valley has spear-headed, funded, supported, and worked on a number of important community projects. In addition, we have partnered with the other area clubs on many worthy events.

Our collective footprint is evident through out our community and the world.

We believe our motto, Service Above Self, and more importantly, we live it.
